This is to verify that as a head coach, I understand that I must maintain up to date and required credentials to maintain the head coaching position. I understand that I am responsible for communicating credential requirements to all paid coaches and volunteer coaches that are on the coaching staff. I understand that all of the coaches in the program must be approved by the school's athletic director prior to instructing student athletes in any preseason or regular season activities. I understand that any coach on the coaching staff who has not been approved by the school athletic director to instruct student athletes will not be allowed to participate in camps, practice, or games until approved by the school athletic director. I understand that by violating this rule and allowing any unapproved individual to instruct any player in the program could lead to immediate dismissal of my position as head coach. (The Varsity coach will be responsible for all coaches within their staff including JV and Frosh paid coaches and volunteers.)
